

## **Terms and Conditions – Maastricht Logistics Services (MLS) B.V.**

### **Conditions**

The Dutch Forwarding Conditions as filed by Fenex with the Clerk's offices of the District Courts of Amsterdam, Arnhem, Breda and Rotterdam, latest version, apply to all our activities and agreements.

### **Validity**

Maastricht Logistics Services B.V. retains the right to modify the rates in response to market demands. Quotations remain valid for a period of one month, and upon reaching an agreement, a confirmed validity will be established.

### **Surcharges**

Carrier-imposed surcharges, such as fuel surcharges, are subject to constant fluctuations and can change at any time. It is important to note that surcharges may be applied retroactively.

### **Payment Terms**

Based on credit research, Maastricht Logistics Services B.V. will establish a credit limit for each customer. If the credit limit is approved, the payment terms for trucking and handling will be 14 days from the date of the invoice, and for import duties (if applicable), the payment terms will be 7 days from the date of the invoice, unless otherwise mutually agreed upon.

### **Exchange rate**

Any foreign currency conversions have been undertaken using current exchange rates and thus local currency charges are subject to change.

### **Trucking**

The by Maastricht Logistics Services B.V. subcontracted roadfreight charges quoted do not encompass waiting time, fuel costs, toll and maut charges. For international road transports, the conditions set forth by CMR (Convention on the Contract for the International Carriage of Goods by Road) will apply. For National (within the Netherlands) road transports, the conditions set forth by the AVC (General Conditions for the Carriage of Goods by Road) conditions apply.
